

MOTHER. All I've ever wanted is to know that the two of you are happy, together.

I know you love each other. You're still children, but if you marry it will ease your father's pain, Victor.

Elizabeth, you'll have to be mother to all your cousins now.

*(Weakening.)* My darling, I've been so happy and so loved. It makes it so hard to leave... but I'll see you again. I'll see you in another world.

*She dies.*
